I have put up cameras at my home and have decided its best if I limit my working at my mill at their moment

I need to work but due to these circumstances I had to shut down for safety concerns

~~Mid June 2022 - Eric Freeze has already tried to run me over with his dad's car there is a witness~~

Mid June 2022 - a mutual friend told me to be really careful because he over heard Eric Freeze telling his friends that they are going to do something to me (Jose Acuna)

Eric Freeze followed my son on July 27th 2022 - to his location and pulling off the road when my 17-year-old son did and he sat and watched my son for about a minute then left.

Below is how all this started and harassment began

In early 2021 Acuna Cedar (Jose & Shelley Acuna) were informed that Mr. & Mrs. Freeze handed the responsibility of the property we rented since 2013 to their daughter. The daughter presented us with a contract that stated certain particulars. Due to Eric Freeze and all his broken-down cars, we have been paying rent on a building and property we do not have access to. Then realized that Eric Freeze was allowing two women to live on the lower part of the property that we were paying rent on. The two women were plugged into our electricity, so we have unknowingly been paying for their electricity. So, we communicated this to Eric Freeze's aunt.

- 17. Past Incidents.** What happened in the past that makes you want a protection order? This could include violent acts, fear or threats of violence, coercive control,

nonconsensual sexual conduct or penetration, sexual abuse, harassment, stalking, hate crimes. For a vulnerable adult, include incidents or threats of abandonment, abuse, neglect and/or financial exploitation. Include specific date/s and details of the incidents.

Early 2021 Mrs. Elizabeth Gallagher of whom is in charge of the Freeze revokable trust for her parents

We have rented the building and property from Mr. Ronald Freeze since 2013. In mid 2021 we

(Jose & Shelley Acuna) were given a rental contract to sign. Her brother Pete Freeze lived in the house

next to the mill which is owned by Mr. Ronald Freeze.

Due to Eric Freeze and all his broken vehicles and trash laying around we have very little space to conduct our

business and do not have access to the whole property that we pay rent on each month. He gets angry if we touch his stuff. With the contract we realized that Eric Freeze had allowed two women and their trailer to squat on

the property that we pay rent on but do not have access to. Then we found out that we were paying

their and Eric Freezes electricity. This was unknown to the Mrs. Elizabeth Gallagher, she ejected the tow

squatters below and also ejected Eric Freeze from the property. He became angry and refused to leave the property.

This just made Eric Freeze more aggressive

In November of 2021 Pete Freeze was found deceased in home.

The next day Elizabeth Gallagher asked on behalf of the trust for Jose Acuna to change the locks in Pete Freezes

house to help secure it. With approval of the sheriff Jose Acuna quickly ran in and changed the locks. The keys were sent to Elizabeth in Maine.

Later that month Elizabeth Gallagher offered

to sell us the property. Elizabeth and Jose Acuna came to an agreement and were in the process of

completing the purchase and Eric Freeze got upset and filed paperwork to cloud the title.

Then Eric Freeze started harassing Jose Acuna & our business Acuna Cedar Products.

we received a paper in the mail in late December 2021, January 5, 2022, and in January 28, 2022. My wife

Shelley Acuna refused Eric Freezes letters and he sent it again with a return address of a local chiropractors office.

It makes it difficult to be at the property we rent for our work because Eric Freeze walks back and forth carrying

the papers that he sent us in the mail. He is showing more aggression towards Jose Acuna.

My wife made me put up cameras at our home for a piece of mind. the letters are untrue of that he is accusing

Jose Acuna of is untrue.

In May 2022, Eric Freeze received a letter from the court stating that Eric Freeze is to be off the property by

July 28, 2022 he was more aggressive and flipped Jose Acuna off.

Couple days later he tried to run Jose Acuna over with Petes green Honda accord. Mid June 2022 - Eric Freeze has already tried to run me over

with his dad's car there is a witness

Mid June 2022 - a mutual friend told me to be really careful because he over heard Eric Freeze telling his friends that they are going to do something to me (Jose Acuna)

Eric Freeze followed my son on July 27th 2022 - to his location and pulling off the road when my 17-year-old

son did and he sat and watched my son for about a minute then left.

Due to Eric Freeze telling his friends they are going to do something to Jose Acuna and then He followed our 17 year old son is a cause for concern.

## BOND REQUEST

Dear Public Officials:

Jay Robert Inslee, Robert Ferguson, Umair A. Shah, Steve Hobbs, Don McDermott, Rich Weyrich, Sandra Perkins, Ron Wesen, Peter Browning, and Lisa Janicki, Bret Sachter, Paul Taylor,

This day, I have served each of you with a letter of intent to file a claim against, but not limited to, your insurance liability policy that is held by a Risk Management Company/Surety company in lieu of your individual Performance Bond, Faithful Performance Bond, Fidelity Bond, Surety Bond, Statutory Bond, the Errors & Omissions (E&O), and the Duty of Care policy, or Blanket liability Bonds, (for each offense to be listed) that are required by state law for every person who are elected or appointed to government or public office.

According to your policy it is the duty of the policy holder in the event a person files a letter of intent against you for wrongful act, claims or suits to: (copied from your insurance policy)

1. "You will be deemed to be aware of and have knowledge of an occurrence or wrongful act(s) of the date that your legal department, risk management department, claim administrator or any of your elected, appointed or employed officials receives notice of such occurrence of wrongful act(s)."

2. "Results in the establishment of a reserve, or would reasonably require the establishment of a reserve, for ultimate net loss under Coverage Part A or loss under Coverage Part B which equals or exceeds 33% of the relevant retained limit that involves any of the following – class actions or punitive class actions."

You might not realize this yet but each of you is PERSONALLY liable for a pre-determined amount stated in your policy for damages per claim. In your policy each occurrence is one claim filed against your policy. Each occurrence carries a pre-determined deductible that you must pay prior to the insurance company covering the rest of the damages.

That means you could lose your house, your cars, your job, your retirement, etc. if you DO NOT PAY ATTENTION. You are in violation of multiple State, Federal and International laws and based on this most recent case in Illinois, you could be facing time in FEDERAL PRISON for your actions if you do not cease and desist!

"Statutory rights have attempted to be bypassed through the issuance of executive orders and emergency rules," "This type of evil is exactly what the law was intended to constrain."

I don't want to see any of this happen to you. All I want is what is best for you and WE The PEOPLE OF Skagit County.

Sincerely,

Date 02/24/2022

Order

3 THIS MATTER having come on regularly and the Court having heard the Defendant's Motion for "Vacation of Void Judgment and Collateral Attack." The Court considered the motion filed by the Defendant, Mr. Freeze, the response filed by the Plaintiff, the records and pleadings on file in this case, and argument at the hearing on December 23, 2022.

THIS COURT FINDS that:

1. On October 31, 2022, the Court entered an Order granting Plaintiff's Motion for a Determination of Damages and Amount of Supersedeas Bond on Appeal and Motion for Contempt. The Court ordered Defendant to vacate the property by December 1, 2022, and "remove his personal property, including all inoperable and unlicensed vehicles from the Property; and that any of the Defendant's personal property remaining on the Property be sold or disposed by the Plaintiff in accordance with Washington law."
2. In that Order on October 31, 2022, the Court also found Defendant in Contempt for his failure to pay \$750 in sanctions ordered on May 6, 2022 and "an additional sanction of \$1,000 for CR 11 violations in continuing to maintain a clearly frivolous lawsuit despite warnings from the Court."
3. The \$1,750 in total sanctions were ordered to be paid within two weeks, which would have been by November 15, 2022.
4. Defendant has not paid the sanctions and remains in contempt of Court.

- 1 5. On November 23, 2022, Defendant filed a Motion to Dismiss for Lack of Jurisdiction,  
2 claiming all the Court's Orders are null and void.
- 3 6. The Court entered an Order denying Defendant's Motion to Dismiss for Lack of  
4 Jurisdiction on December 9, 2022.
- 5 7. On December 4, 2022, Defendant Freeze having failed to vacate the Property or remove  
6 his personal property, the Skagit County Sheriff's Office enforced the Writ of Execution  
7 and removed Mr. Freeze from the Property.
- 8 8. On December 8, 2022, Defendant filed the present Motion for Vacation of Void  
9 Judgment and Collateral Attack, requesting that the Court's October 31, 2022 order and  
10 subsequent writ of restitution be vacated. This is essentially a motion for reconsideration  
11 of that October 31, 2022 order.
- 12 9. Skagit County Local Rule 59 requires that any motion for reconsideration or amendment  
13 of judgment must be filed and served within ten days after entry of the judgment or  
14 order. The local rules also set forth a number of procedural requirements for a motion for  
15 reconsideration that were not followed in this case. Of note, pursuant to Skagit County  
16 Local Rule 59(4)-(5), oral arguments will be scheduled only if the Judge involved  
17 requests the same and hearings will only be noted if oral argument has been requested  
18 by the Judge. SCLR 59(4)-(5).
- 19 10. On December 12, 2022, Defendant filed a "Motion for Reconsideration of the Court's  
20 Order on Plaintiff's Motion for Determination of Damages and Amount of Supersedeas  
21 Bond and Motion for Contempt", and noted it for hearing on December 30, 2022.  
22 IT IS HEREBY ORDERED, ADJUDGED AND DECREED that
- 23 1. Defendant's Motion for "Vacation of Void Judgment and Collateral Attack" is denied as  
24 an untimely Motion for Reconsideration.
- 25 2. Defendant's "Motion for Reconsideration of the Court's Order on Plaintiff's Motion for  
26 Determination of Damages and Amount of Supersedeas Bond and Motion for Contempt"  
27 is stricken from the civil calendar on December 30, 2022 as an improperly noted Motion  
28 for Reconsideration.
- 29 3. Defendant remains in contempt of Court for failing to pay the \$1750.00 in total sanctions  
30 ordered on May 6, 2022 and October 31, 2022. To purge this contempt and avoid  
additional sanctions, Defendant must pay the previously ordered sanctions within two  
weeks to counsel for Plaintiff.

1  
2 4. As previous financial contempt sanctions have not been paid and have not deterred  
3 Defendant from filing motions to relitigate the issues in this case, the Court orders that  
4 Defendant may not file additional motions in this case, without first obtaining Court  
5 approval, without first paying the previously ordered contempt sanctions of \$1750, and  
6 purging his contempt.
